Hello Family & Friends:

This is Dennis, I am Jack's son-in-law married to Gussie. I wanted to provide you this update. This is a mass email so please reply to me only unless you wanted to share your thoughts with everyone on the email list. Sharing with everyone is certainly aloud because your comments about Jack are most welcomed. Some of you may receive this email more than once because Jack had you in his email list listed with different names.

This has been a long time coming. We have a beautiful day scheduled for Jack & Jimmie's Arlington National Cemetery Service.

DATE: June 6, 2016

TIME: 3:00 PM

Arlington will notify us of final plans and detail 30 days before the funeral, so until we get further info this is all I can tell you.

Thank you for all of your kind words and sentiments that you have sent us. Jack is pleased that he was so loved and admired by you, but as you know he was a very humble man and did not seek fame. He was a true hero, leader, and giver. He has touched so many in so many ways and he left this earth better than it was with all he did.

We are well aware that many of his friends may not be able to attend the services. Jack would be pleased if you could take a moment of silence on June 6, 2016 at 3:00 PM to remember a fun time you had with him. Jack loved his family, country, friends and the Military and we could not pay he any more respect than to remember him and lay him and his beloved wife Jimmie to rest together at Arlington National Cemetery.

If you have any questions or comments you would like to make please feel free to call me or send an email. I will email when we have further information.

Having Fun,
